

Problems? – Ask us!

Don't wait until it's too late!

The FRMS is not just about licences and insurance. If your society is facing difficulties or in danger of closure maybe we can help you. Members of the Committee come from all sorts of societies and may well have experienced similar problems. We can offer advice by letter or phone, or a Committee member can visit your society to discuss your concerns at first hand. In some cases we can even provide practical assistance. So why not contact the Federation BEFORE closure becomes inevitable?
