Torbay Musical Weekend 15 – 18 November, 2024

Dear Friends of Torbay,

It is with great pleasure that our programme, prepared by Maureen Greenhouse, is now ready and printed for distribution. Please do make a special effort to come to Torbay this November and put the dates in your diary now.

You will see a number of well known names which will excite and whet the musical tastebuds and they will be part of the convivial company that contributes to what has made our weekend so popular for over fifty years.

Whether you are seeing this online or in hard copy may I encourage you to make the weekend known amongst your friends and direct them to the website fot.org.uk for easy reference and downloading a Booking form to sign up for what promises to be a very special occasion.

With very best wishes to you all,

John Isaac, Chairman
The Friends of Torbay
